EVEREST®

TECHNOLOGY

VORTEX COMPOSITE TOE™

Lightweight composite toe protection without the weight and thermal conductivity of steel.

VORTEX SHIELD™ MIDSOLE

Flexible non-metallic anti-puncture layer providing full-foot protection against sharp objects.

APEX™ PERFORMANCE FOOTBED

Premium PU comfort footbed engineered to reduce fatigue and improve energy return.

GRIPFORCE™ PU OUTSOLE

Dual-density PU outsole delivering exceptional traction, durability and shock absorption.

HYDROGUARD™ UPPER

Water-repellent microfiber upper designed to keep feet dry and perform in harsh conditions.

METALFREE™ CONSTRUCTION

Airport-friendly, anti-static design for maximum comfort, flexibility and safety.
